

REMARKS

Claims 3 and 4 have been amended to delete reference therein to now cancelled claims 1 and 2, which have been cancelled in response to the Election Restriction mailed herein on August 16, 2005. In addition, new claim 5 has been added to provide the subject matter previously in claim 4 (claim 3 now calls for the general method, claim 4 contains the subject matter of original claim 3, and claim 5 contains the subject matter of original claim 4). The present amendment is deemed not to introduce new matter. Claims 3-5 are in the application, Claims 1 and 2 having been cancelled herein based on same being directed to a non-elected invention.

In view of the foregoing, it is respectfully submitted that the application is now in condition for allowance and early action and allowance thereof is accordingly respectfully requested. In the event there is any reason why the application cannot be allowed at the present time, it is respectfully requested that the Examiner contact the undersigned at the number listed below to resolve any problems.

Respectfully submitted,
